Owner – Builder Disclosure Statement

Florida Statute 489.103 (7) requires all owners of property acting as their own contractor to complete the following disclosure statement and personally appear to sign for the building permit. This is an affidavit for contractor exemption for owner/builder applying for building permits in the jurisdiction of The Liberty County Building department.

NOTE: A PERSON WHO KNOWINGLY MAKES A FALSE WRITTEN DECLARATION MAY BE GUILTY OF THE CRIME OF PERJURY, A FELONY OF THE THIRD DEGREE, PUNISHIBLE AS PROVIDED BY THE FLORIDA STATUTES 775.082 OR 775.084

1. I understand that the state law requires construction to be done by a licensed contractor and have applied for an owner builder permit under exemption from the law. The exemption specified that I, as the owner of the property listed, may act as my own contractor with certain restrictions even though I do not have a license.

INITIALS: _____

2. I understand that building permits are not required to be signed by a property owner unless he/she is responsible for the construction and is not hiring a licensed contractor to assume responsibility.

INITIALS: _____

3. I understand that, as an owner – builder, I am the responsible party of record on a permit. I understand that I may protect myself from potential financial risk by hiring a licensed contractor and having the permit filed in his/her name instead of my own name. I also understand that a contractor is required by law to be licensed in Florida and to list his/her license numbers on permits and contracts.

INITIALS: _____

4. I understand that I may build or improve a one - family or two-family residence or a farm outbuilding. I may also build or improve a commercial building if the costs do not exceed \$75,000. The Building or Residence Must Be For My Own Use Or Occupancy. It may not be built or substantially improved for sale or lease. If a building or residence that I have built or substantially improved myself is sold or leased within 1 year after the construction is complete, the Law will presume that I built or substantially improved it for sale or lease, which violates the exemption.

I understand it is a frequent practice of un-licensed persons to have the property owner obtain an owner-builder permit that erroneously implies that the property owner is providing his or her own labor and materials. I, as an owner-builder, may be held liable and subjected to serious financial risk for any injuries sustained by an unlicensed person or his/her employees while working on my property. My homeowner's insurance may not provide coverage for injuries to workers on my property.

INITIALS: _____

8. I understand that I may not delegate the responsibility for supervising work to a contractor who is not licensed to perform the work being done. Any person working on my building who is not licensed must work under my direct supervision and must be employed by me, which means, I must comply with the laws requiring the withholding of federal income tax and social security contributions under Federal Insurance Contributions Act (FICA) and must provide workers compensation for the employees. I understand that my failure to follow these laws may subject me to serious financial risk.
