Florida Statute 125.001 requires that due public notice be given of all regular meetings of the Board of County Commissioners of a County in the State of Florida. Florida Statute 286.0105 requires that notices of any meeting or hearing, if a meeting or hearing is required, must include the following language, "if a person decides to appeal any decision made by the board, agency or commission with respect to any matter considered at such meeting or hearing he will need a record of the proceedings, and that, for such purpose, he may need to insure that a verbatim record of the proceedings is made, which record includes testimony and evidence upon which the appeal is to be based."
