Ex "B"

ELECTRICAL BOND

KNOW ALL MEN BY THESE PRESENTS THAT WE, _____
 _____, (hereinafter called
 the Principal) and _____
 a corporation duly qualified and authorized under the laws of
 the State of Florida to act as surety on bonds, (hereinafter
 called the Surety) are held and firmly bound unto _____
 _____, Governor of the State of Florida,
 and his successors in office, in the penal sum of _____
 _____ Dollars, lawful money of the
 United States of America, the true payment whereof well and truly
 to be made we do bind ourselves, our respective heirs, executors,
 administrators, successors and assigns, jointly and severally,
 firmly by this bond.

Signed, sealed and delivered this _____ day of
 _____, A.D. 197_____.

NOW, THEREFORE, the condition of this bond is that
 if the above bounded Principal, the said _____
 _____, shall protect the State of
 Florida against all loss or damage occasioned by the negligence
 of the said Principal herein in failing to properly execute
 and protect all electrical contracting done by said Principal
 or by the employees of said Principal or under the direction
 and supervision of said Principal and from all loss or damage
 occasioned by or arising in any manner from any such work
 done by said Principal or the employees of said Principal or
 under the direction or supervision of said Principal, which is
 not caused by the negligence of the State of Florida, or its
 agents, or employees, or by the negligence of the agents or
 employees of the county in which said electrical contracting
 is performed, or by the negligence of the employees of the city
 in which such electrical contracting is performed, and further
 will keep and observe all laws of the State of Florida relating

in any way to the Florida Electrical Code and all local ordinances where such electrical contracting is done, which relate in any way to electrical contracting and shall do all electrical contracting in compliance with the minimum requirements of the State Electrical Code and shall further without additional cost to the person for whom the electrical contracting is done, remedy any defects in said work due to faulty material furnished or used by the said Principal and shall further reconstruct and repair any such defective electrical work or materials to the satisfaction of the County Electrical Inspector of the county where such electrical contracting is done, or to the satisfaction of the City Electrical Inspector, or to the satisfaction of the city or district Electrical Inspector, at any time within one year after the construction, alteration or installation thereof by said Principal, or under his direction or supervision and within 72 hours after notice from the County Electrical Inspector or the City Electrical Inspector or the District Electrical Inspector, to reconstruct or repair same, then this obligation shall become null and void; else to remain in full force and effect.

Any failure or default on the part of the Principal in remedying any defect in electrical work done or faulty workmanship and incorrect construction or due to faulty material furnished or used by the Principal, shall give the person for whom such work is performed a direct right of action against the Principal and Surety under this obligation; provided, however, that no suit, action or proceeding by reason of any default whatever shall be brought on this bond after one year from the date of the final completion of such electrical contracting by the Principal for such third person.

The premium anniversary date of this bond shall be on the 1st day of July of each year, the first anniversary being July 1, 1976.
