

# Small Cities Community Development Block Grant (CDBG)

## Citizen Advisory Task Force Meeting Notice

### LIBERTY COUNTY, FLORIDA

Liberty County is considering applying to Florida Commerce for FFY 2023-2024 Small Cities Community Development Block Grant (CDBG). The County is eligible to apply for funds in the neighborhood revitalization, commercial revitalization, housing rehabilitation categories and the economic development categories. Construction activities funded through the CDBG Program must meet one of the following National Objectives:

1. Provide benefit to low- and moderate-income persons;
2. Prevent or eliminate slum or blight conditions; or
3. Meet a need of recent origin having a particular urgency.

The types of activities that CDBG funds may be used for include constructing stormwater ponds, paving roads and sidewalks, installing sewer and water lines, building a community center or park, making improvements to a sewage treatment plant, and rehabilitating low-income homes. Florida Commerce has waived the funding limit requirement for this round of CDBG funding. Additional information regarding the range of activities that could be funded will be provided at the public hearing.

In developing a CDBG application, Liberty County must plan to minimize displacement of persons as a result of the activities. In addition, the County is required to develop a plan to assist displaced persons.
